

Start the Round off Right!

Let a McElroy Customs designed Starter box reflect your club's story, its history and culture. Starting at \$1,300

The Original

This is the one that started it all. Your course deserves something better than just a functional starters box. Everything your members come in contact with, reinforces the emotion & excitement you want your members and their guests to feel when they step on the tee.

Customize the front and back with your logo. Your choice of brass or nickel hardware

Customized leather handle

Every custom piece from McElroy Customs includes an authentic Scottish Tartan. The header sleeve slides over the lower compartments to keep everything in its place when not in use. Once opened, remove the sleeve and place at the top of the box to finish off the look.

The 1st & 10th - 2 Boxes in 1

One single box becomes two starter boxes for placement on the 1st hole and 10th hole. Completely customized to your specifications. Each adorned with an authentic Scottish Tartan, customized magnets keep the score cards & pin sheets in place.

Customize the front and back with your logo. Your choice of brass or nickel hardware

These header sleeves can be customized to fit any one of the events hosted by your club.

Every detail accounted for. Including a customized leather handle, your choice of authentic Scottish Tartan and custom magnets to keep scorecards and tee sheets in place

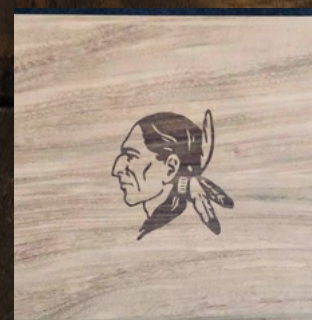

Gray Elm

Mahogany

Maple

Teak

Starting at \$1,300

The Seminole

First made for Seminole Golf Club and designed to withstand the harshest weather conditions. Included is an aluminum post to be cemented in the ground. A handmade teak post slides over the top with an aluminum platform for the box to be secured to.

The Traveler

The Traveler is designed to be a carry-on when traveling to remote tournaments.

The Traveler

Sized to carry on an airplane for those travel tournaments
